

News from Girton Glebe

Applications for places in Reception class for September 2012 are now open. More information about the process is available online on the county council website at www.cambridgeshire.gov.uk/admissions.

It is possible to apply for your place online and this is the local authority's preferred method as it reduces the chance of errors being made in the application process. However, if you are unable to apply online, or would prefer to make a postal application, we have a small supply of application forms in our office. Please call in and ask for a copy.

As we are expanding, we were able to offer places to all 38 children living in our catchment area last year. The figures for the number of children in Girton this year look similar and so we are confident that we will have sufficient spaces again.

If you haven't yet seen around our school but would like to, please contact our school office (01223 276484). We're running specific tours on the 6th December, but are happy to show people around at any convenient time.

Elsewhere, don't forget that our Community Choir is running in our hall on Wednesday evenings from 7.30pm – it's not too late to join us for our West Road concert!

With best wishes,
Philip Atkin
Headteacher
