

# **GIRTON PARISH COUNCIL CELEBRATES LIFE IN OUR VILLAGE AND THE KING'S CORONATION**

There are a number of events taking place in our community during the week of the King's Coronation. In this pamphlet is a resume of most of them. We apologise to any individuals or organisations that we have missed from this list.

We appreciate that there will be those in our community who choose not to celebrate the coronation, so we have created events that celebrate life in our village and all are welcome to enjoy them.

We have created two competitions for entrants of all ages.

## **The Parish Council Logo Competition**

The parish council invite all members of our community to consider what living in Girton means to them. What purpose they believe their parish council serves and what they would like to experience as a result of the activities it undertakes.

Bring your creative skills to the task of creating a logo that you believe reflects this and send the design to The Parish Clerk at the address below. (You may include a short motto or statement with your design and a brief written description if you want to). The full council, with the help of Chris Gooch, creative director of 'Open Design Agency', will judge and create a shortlist of entrants, divided into three age groups. Up to 10 years old. 11 to 17, 18 years and older. These shortlisted designs will be displayed and the village invited to vote for their favourite. The winner will have the opportunity to work with our professional graphic designer to produce the new logo for the Parish Council to use in its correspondence and presence. Winners from each age category will be invited to share the story about their design for future publication in the Girton Parish News and on social media.

Draw your design for a new Parish Council Logo onto a sheet of A4 paper. Make sure you include your name, age and contact details, and deliver it to :- The Parish Clerk, Girton Recreation Ground, Cambridge Road, Girton, CB3 0FH Telephone 01223 472181
