Cllr Williams has as at the date of this Agenda been unable to attend for 12 months.</i>   <b>Approval:</b> Cllr Carney proposed. Cllr Clare seconded.   <b>Debate Highlights:</b>                      Cllr Carney confirmed that Cllr Williams had not been able to attend Council meetings for the last 12 months. Cllr Williams had made efforts to contribute to Council business over that time. Cllr Carney noted that Cllr Williams wished to retain his position and that is why</p>	For Decision

	<p>this further item had come to the agenda to approve an extension for him to remain on council even though he had not attended for 12 months.</p> <p>Cllr Muston stated that Cllr Williams contributions are welcomed. She had considered retaining him on council however, having looked at other council forums felt it might be in his best interests for him to step back at the moment and consider being co-opted when he can attend meetings.</p> <p>Cllr Marshall gave a public apology to Full Council and Cllr Williams for the way he conducted himself during some of the early meetings. However, he felt unable to apologise for mentioning what he regarded as issues of behaviour which have, historically, affected a number of Council members. As a result, Cllr Marshall suggested an amendment to the original motion:</p> <p><b><u>Amended Approval 1:</u></b> <i>Cllr Marshall proposed. Cllr Muston seconded.</i></p> <p><b><u>Amended Motion 1:</u></b> <b>Extend the 6-month deadline by 2 months for Council to fully consider all emails and past actions before Council comes to a decision about retention of Cllr Williams.</b></p> <p><b><u>Amended Approval 2:</u></b> <i>Cllr Clare proposed. Cllr Betts seconded. 7 in Favour, 2 Against.</i></p> <p><b><u>Amended Motion 2:</u></b> <b>Extend the 6-month deadline by 1 month for Council to fully consider all emails and past actions at next HR Meeting before Council comes to a decision about retention of Cllr Williams.</b></p> <p>There was then a discussion about whether a councillor who did not attend meetings should influence any motions within a meeting or whether they had any voting powers.</p> <p>GPC Clerk stated that there should be no predetermination and advice requested from CAPALC had confirmed that opinions of absent Councillors should not be taken into account in a vote. Absent councillors could give information for consideration and state their opinions in the same way as the public.</p> <p>Cllr Muston confirmed that the next HR Meeting was scheduled for July 5<sup>th</sup>.</p>	
23FC/049	<p><b>Public Participation</b></p> <p><b><u>Member of the Public 1</u></b></p> <p>This member of the public wanted to speak regarding the recent decision to allow the appeal regarding the Hotel Felix. She fully supported the Chairman’s concerns around health provision and asked if it was possible for anything to be done about the decision of the appeal. She reminded GPC about the fact that Huntingdon Road surgery had no further capacity to support this care home which is a matter of great concern to residents and to the Parish.</p>	15 Mins

Agenda Item	Item Description	Action/ Power
	<p>The long list of conditions attached to the inspector’s report was noted and she would like to know who is responsible for imposing these conditions. Is it the role of the GCP, oversight of some other bodies or communication with residents?</p> <p>She reminded Girton Parish Council of the good communication from GTC to residents in Girton High Street about Dovehouse Court building project and noted this communication not only provided information but also ensured goodwill.</p> <p>She noted Para 12, page 3 of the Inspectors Report entitled: ‘Effect on the openness of the Green Belt’ which seemed to be a shift of emphasis. This paragraph talks about the character of the location and then goes on to note there are recent under construction developments nearby. This language can possibly be read as the ‘thin end of the wedge.’</p> <p>She felt at a time when Girton was making huge and valuable efforts to create a village plan she would not like this development to impinge on what Girton was trying to do.</p> <p>Cllr Carney suggested some of the above questions could be directed to our District Councillors.</p> <p>Cllr Richard Stobart noted that the concern around Health provision was raised in the original planning application. He felt it was a question of enforcement. He will check on this with GCP Planning.</p> <p>Cllr Muston noted that everything raised by Member of Public 1 had been in her report which she presented at the public enquiry. She felt she made it clear to the enquiry about Green Belt, the Hospital position, and the fact there were no surgeries. She noted GPC had raised these items and would continue to raise them. She felt it was clear GPC were not listened too.</p> <p><b>Hotel Felix Inspectors Report:</b> <a href="https://www.girton-cambs.org.uk/wp-content/uploads/2023/06/Hotel-Felix-Appeal-decision-3307903.pdf">https://www.girton-cambs.org.uk/wp-content/uploads/2023/06/Hotel-Felix-Appeal-decision-3307903.pdf</a></p> <p><b><u>Member of the Public 2</u></b></p> <p>This member of the public lived opposite Sloe Fen Farm. He confirmed he was opposed to the Planning Application. He noted that Sloe Farm was on Green Belt land and the application had formerly been rejected by Girton Parish Council. It had been approved by GPC in the last planning meeting and *he believed that the Planning Committee had also suggested they would attend the GCP meeting to support the application. (* See final para of Agenda Item 23FC/057.1)</p> <p>He felt GPC’s Approval set a dangerous precedent around building on Green Belt land. He noted to approve any development on Green Belt Land there must be a justification why such a construction is needed.</p> <p>On application to GCP Planning under Policy E/16 any planning application needs to be an expansion of an existing business. That business must be successful and must have been active for at least two years.</p>	

Agenda Item	Item Description	Action/ Power
	<p>The landowner had confirmed it was not a business, it was a hobby. This member of the public asked how such a basic planning requirement can be overlooked by Council.</p> <p>Whilst he noted the wrong advice had been given to the landowner of Sloe Farm, he believed further advice had been given together with a request to the Landowner to cease building, which had not been followed.</p> <p>He asked what information had come to light to overturn the original objection? What is GPC's policy on building on Green belt land? He felt that building should only be approved in exceptional circumstances.</p> <p>Cllr Carney replied briefly to confirm that GPC does not have its own policy regarding planning on Green Belt, but SCDC does have such a policy.</p> <p><b>Planning Application details:</b> <a href="#">23/01831/FUL   Retrospective erection of a storage barn/stabling   Sloe Fen Farm Oakington Road Girton Cambridge Cambridgeshire CB3 0QH (greatercambridgeplanning.org)</a></p> <p><b>Landowner</b></p> <p><b>Policy E/16, Landowner stated:</b></p> <ul style="list-style-type: none"> <li>• There is no existing business on site.</li> <li>• Land was purchased 9 years ago.</li> <li>• A business activity had not been run during that time.</li> <li>• He believed to keep livestock on site the agricultural needed to be built first.</li> </ul> <p><b>Policy NH/8, Landowner noted:</b></p> <ul style="list-style-type: none"> <li>• Built Barn 55/60 meters from road so cannot see the barn.</li> <li>• Hedgerows now made barn barely visible.</li> <li>• Council cut through existing entrance when the Cycle Way was built.</li> <li>• Ragged Robin planning permission granted on 8<sup>th</sup> August 20217 which has a footprint about 4.5 times size of Sloe Farm Application. (<i>Decision issued 06/10/2017</i>), <a href="#">S/2871/17/PN   Prior notification for agricultural store   Ragged Robin Oakington Road Girton Cambridgeshire CB3 0QH (greatercambridgeplanning.org)</a></li> <li>• Ragged Robin planning permission in Flood Zone 2. Sloe Farm Application is in Flood Zone 3.</li> <li>• Land on the other side of the road is Green belt as is Girton College and the Recreation ground car park - All have been built upon.</li> <li>• Across the road from Sloe farm are many large commercial buildings including a Gym, Nursery, pre-school, gym, Home Audio Shop IT Support Company.</li> <li>• In most cases Agricultural buildings are acceptable.</li> <li>• To argue that livestock is not allowed seemed to be an odd argument.</li> <li>• The only reason the last application was withdraw was due to need to ensure all flooding requirements are in place.</li> </ul>	
23FC/050	<b>To Receive Reports</b> ( <i>for information only</i> )	<b>10 Mins</b>
23FC/050.1	<b>County Councillor</b>	

Agenda Item	Item Description	Action/ Power
	<p>Cllr Carney asked about the Smart Journey scheme which were looking at transport within development. He asked whether this scheme should also be looking at active travel between developments? He noted that there were lots of good possibilities that do not link up, from a Girton perspective Northstowe and Science Park North. Cllr Murphy to find out more.</p> <p>Cllr Carney also asked about the Tender going out for Trees &amp; Woodland. Could the strategy which was mentioned in the report be made available and circulated to GPC?</p> <p><i>Interim Strategy:</i> <a href="https://www.cambridgeshire.gov.uk/residents/climate-change-energy-and-environment/improving-the-natural-environment/trees-and-woodland">https://www.cambridgeshire.gov.uk/residents/climate-change-energy-and-environment/improving-the-natural-environment/trees-and-woodland</a></p> <p>Making Connections. Cllr Muston noted regarding Cambridge North Station and Histon &amp; Impington there were no buses to get to the station, which she felt was ridiculous.</p> <p>Cambridgeshire Priorities Capital Fund. Cllr Muston noted that there was the ability to apply for Grants for next year with an upper bid limit of £40K for community events. She asked if there was any reason Girton would be excluded from this scheme. Cllr Murphy to find out more.</p>	
23FC/050.2	<p><b>District Councillors</b></p> <p>Cllr Stobart confirmed they would welcome broad radical views on what the community might like to see in a bus service fit for purpose for today's requirements. SCDC will explore the most effective way of getting feedback.</p> <p>One of the items he had received from GCP was to 'Think Freely' in your feedback about possible solutions to move the bus-stop from the '1980s network' to a network that was suitable for today.</p> <p>Cllr Murphy (CCC) added the following:</p> <ul style="list-style-type: none"> <li>• Current considerations did not consider the interchange with other modes of transport.</li> <li>• Specific feedback about routes would be most helpful. What villages would you like to see connected, what services would you like see connected. Confirm your point A - point B connections.</li> <li>• Franchising would be a way to increase control over bus services delivered.</li> <li>• Complicated challenge was to create and maintain a bus service suitable for today's requirements. This service would need to be defined, scoped and developed so Council is confident it can be delivered.</li> </ul> <p>Our District Councillors would like a stall at Girton Feast next to Girton Parish Council to enable residents to raise any issues for which SCDC is responsible. The bus service and alternatives to the Congestion Charge would be one of the topics of interest.</p> <p>Cllr Stobart to send details on dates/times proposed trip to Eddington to view Heating and Water Scheme to GPC Clerk.</p>	

Agenda Item	Item Description	Action/ Power
	<p>Cllr Stobart is arranging broad generic planning training with specific practice cases for Girton Councillors as requested.</p> <p>SCDC had been looking at the Girton College Application. He had a brief discussion with Cllr Carney regarding this application with a focus on safety on Girton Road.</p> <p>Cllr Muston noted that Cllr Murphy had mentioned a practical solution for Addenbrookes. She asked if Cllr Murphy could send more details. She noted:</p> <ul style="list-style-type: none"> <li>• CCC were looking at S106 money in terms of introducing a new level.</li> <li>• Surgeries were needed - Eddington and Darwin Green did not have one.</li> <li>• Councils needed to be sure that public do not lose money due to Developers mistakes.</li> <li>• She welcomed the Darwin Green properties being knocked down where they were not fit for purpose.</li> <li>• She also welcomed the planning and training so that Parish Councils can be more informed.</li> </ul> <p>Cllr Hayat asked if a decision had been made on whether the Sustainable Travel Zone was regarded as the only way to fund improved transport. Cllr Murphy stated that there had been a lot of concern about the charge. CCC are working closely with GCP about what can be done to address concerns.</p> <p>Cllr Linton asked about whether CCC was in charge of any possible Franchising and GCP was in charge of the Sustainable Transport Zone. Cllr Murphy confirmed that the Combined Authority (GCP) was responsible for Franchising and CCC was responsible for the decision on the Sustainable Transport Zone.</p> <p>GPC Clerk asked Cllr Stobart if he could confirm that the Planning Training for GPC would be broader than development of parcels at land at Eddington. Cllr Stobart confirmed and stated that the training would be generic and designed to equip GPC to review larger planning applications. To help with this the planning training would be followed 2/3 weeks later with a significant application for GPC to review.</p>
