

Girton Parish Council

Chair's Report – January 2025

Cllr Daniel Carney

Happy New Year to all; I hope that everyone had an enjoyable festive period. With the Xmas and New Year break, there is little to update since the December report.

A key development is the beginning of work to construct the long-awaited crossing of Girton Road. This should be well underway by the time of the meeting, and almost completed by February's meeting.

Following the approval of a draft letter to Stagecoach in GPC's December meeting, by the time of this month's meeting I hope that it will also have been approved by our colleagues at Oakington & Westwick PC such that we can then send an informed response to the changes to the bus services in our villages, which we can quantifiably show have met significant disapproval.

As a council, I think that we have done some great work in 2024, and hope that we are able to continually improve throughout 2025.
