

# **Girton Parish Council**

## **Human Resources (HR) Report**

Prepared by: Chair of Human Resources (HR)

Date: December 16<sup>th</sup> 2025

There is very little to add to the report from November 2025 except to say that the £10.00 per annum recommended precept increase would fund the additional staff noted in our budget and precept reports.

It is crucial that Girton Parish Council has the manpower to efficiently and effectively carry out the services and aspirations for the village and for Girton's Great Plan.

People can only do so much, the present council and employees are working very hard. If you have a passion for something we are trying to achieve and have the time please come and join us, either as a volunteer or a co-opted councillor until April 2026.
